

Reporter 3.2 Software

Release Notes

This document is provided to customers who have purchased SCIEX equipment to use in the operation of such SCIEX equipment. This document is copyright protected and any reproduction of this document or any part of this document is strictly prohibited, except as SCIEX may authorize in writing.

Software that may be described in this document is furnished under a license agreement. It is against the law to copy, modify, or distribute the software on any medium, except as specifically allowed in the license agreement. Furthermore, the license agreement may prohibit the software from being disassembled, reverse engineered, or decompiled for any purpose. Warranties are as stated therein.

Portions of this document may make reference to other manufacturers and/or their products, which may contain parts whose names are registered as trademarks and/or function as trademarks of their respective owners. Any such use is intended only to designate those manufacturers' products as supplied by SCIEX for incorporation into its equipment and does not imply any right and/or license to use or permit others to use such manufacturers' and/or their product names as trademarks.

SCIEX warranties are limited to those express warranties provided at the time of sale or license of its products and are SCIEX's sole and exclusive representations, warranties, and obligations. SCIEX makes no other warranty of any kind whatsoever, expressed or implied, including without limitation, warranties of merchantability or fitness for a particular purpose, whether arising from a statute or otherwise in law or from a course of dealing or usage of trade, all of which are expressly disclaimed, and assumes no responsibility or contingent liability, including indirect or consequential damages, for any use by the purchaser or for any adverse circumstances arising therefrom.

For In Vitro Diagnostic Use.

Rx only.

Not available in all countries. Contact a SCIEX Sales Representative for details.

AB Sciex is doing business as SCIEX.

The trademarks mentioned herein are the property of AB Sciex Pte. Ltd. or their respective owners.

AB SCIEX™ is being used under license.

Reporter 3.2 Software

Where to Get Help

Other Documentation

- A user guide that provides an introduction to all of the main features of the application is installed with the software.

Support

- <http://sciex.com/request-support>

Installation Instructions

- The Sciex Reporter Template Suite is installed automatically during the installation of other SCIEX software products that include the Reporter 3.2 software.

Fixed Issue

This version resolves the issue where after editing a tag in the header or footer of a report template, the user needed to save the changes, close the report template, and then reopen it in order to modify the main text in the template.

Known Issues and Limitations

None
